

# Help Us Fight Food Insecurity

## Facts About The Farm

🌱 Founded on Faith in 2011 to grow and give away food., 501(c)3 Fed By Faith was developed in 2022 to expand our reach

🍉 **228,000+ Pounds Donated** – That's **912.000+ servings** to those in need!

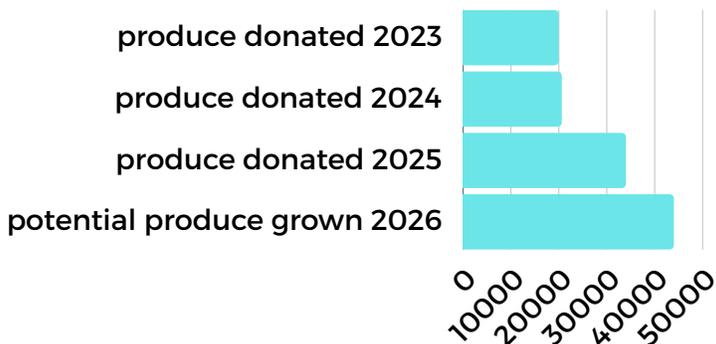

🧑‍🌾 Powered by Volunteers – 125,000+ hours invested in planting and harvesting.

❤️ Fed by Faith – Our 501(c)(3) nonprofit ensures food reaches those who need it most.

🌱 Growing Bigger – Expanding to using more of our 97 acres to grow more fresh food

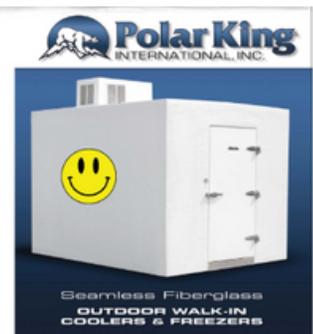

## Impact of Grant Funds

- Up to 3,800 pounds of food need to be cooled down weekly, We must minimize how much is wasted!
- We can increase our donations by 30% with the cool room.

before

after

- An estimated 10% of produce spoils if not cooled down within 24 hours.
- Current lapse in SNAP benefits mean we want ALL of our food to get on families tables ASAP.

*buy land, grow food, give it away...*

“

What might look like a simple weekly pickup actually plays a vital role in keeping the pantry and the neighbors who rely on it—healthy and hopeful.

-Ashley Anderson  
Executive Director-  
Portland Pay It Forward”

“

“We feed over 600 families each month. We constantly hear how much everyone appreciates the farm for bringing in fresh food — it makes a real difference in their lives.

-Sherry Martell  
Director-  
United Ministries Food Bank”

“

“When quarterly budgets have been fully spent, they continue providing fresh produce at no cost to ensure our neighbors don’t go without.

-Jessica Lumpkins  
Farm to Families Coordinator  
Second Harvest Food Bank”

Did you know nearly one million People in Tennessee struggle with hunger? That's 1 in 7 Tennesseans

## HOW BY FAITH FARM IS HELPING

We grow produce that is pesticide and chemical free- focus on health & healing

We use community volunteers to plant, maintain, and harvest our gardens

We continue to increase our capacity to meet the growing need

We partner with Second Harvest to donate 100% of our grown produce
